## OUR SPEAKERS

### SPEAKER

**SAMUEL KAHARABATA, PhD**  
**CLIMATE RISK SCIENTIST**  
**INDEPENDENT**

Samuel Kaharabata is a Climate Risk Consultant. He translates climate science for businesses to reduce the risks posed by climate change and to improve their resilience and sustainability. In doing so he has created innovative solutions for his clients; the novel analytics of which have led to advances in climate change science. He has shared these novel solutions at conferences and workshops and his work has been published in scientific journals. Some of his earlier work has contributed to the Agriculture sector's reporting requirements of national GHG inventory to the UNFCCC.

Sam has considerable experience working in diverse sectors including agriculture, forestry, energy, mining, power generation, transportation (land and marine), waste management, insurance, finance, and municipalities and their communities. His expertise spans GHG inventory, mitigation and monitoring to physical impacts, adaptation and extreme events assessments.

### SPEAKER

**BRENDAN LANE LARSON**  
**CO-FOUNDER + CEO**  
**ABSOLUTECLIMO**

AbsoluteClimo LLC, a leading global climate-finance modeling, forecasting and risk management firm whose mission is bettering life on Earth by helping people and businesses worldwide impacted by climate variability and change. AbsoluteClimo operates the world's first and only financial models linked to consistently skillful global climate physics and machine learning predictions. AbsoluteClimo serves business verticals in energy, agriculture, water resources, tourism, human health, re/insurance, insurance-linked securities, and financial services including pensions, superannuations, private equity and the emerging Environmental Social corporate Governance (ESG) responsible investments markets. Brendan taught in one of the world's first graduate courses on Environmental Finance at the University of Hawai'i at Mānoa's Master's of Financial Engineering program which ran from 2009 through 2013. Brendan holds a B.S. in Meteorology from Northern Illinois University/John D. Odegard School of Aerospace Sciences University of North Dakota.

MODERATOR

**MEE WARREN, CFA CAIA**  
**PRESIDENT**  
**BODHI RESEARCH GROUP**

Mee Warren is the President at Bodhi Research Group. Her duties include portfolio diagnostics, machine learning applications, due diligence, and risk management.

Ms. Warren is a seasoned investment professional. She recently completed a non-compete clause with Two Sigma Investments while running in the NYC marathon, competing in bridge and pool tournaments, and traveling to more than 25 countries. During this time, she also organized the FWA 2018 International Business Conference in Tokyo and the FWA 2019 International Business Conference in Mumbai and New Delhi, India.

Ms. Warren was a Global Equity Region Manager at Two Sigma Investments, LP., an investment management firm with a scientific approach towards investments. During her fifteen years at the firm, the firm grew from under \$100 million to over \$55 billion in AUM. She leveraged her expertise in investments, market structure, and trading to develop new strategies, increase capacity, and enhance returns. In her previous role, she managed the US & Americas Equities Trading desk. In addition to covering the Americas, she also traded European and Asia regions equities, hard & soft commodity futures, bonds, currencies, interest rate swaps, and derivatives. Her first role at the firm, and as the firm's 30th hire, she worked directly with the Comptroller and CEO to develop and deliver financial reports and corporate functions.

In 2015, Ms. Warren received two industry awards: the "Women in Finance Outstanding Contributions" award from Markets Media and the "Women on Wall Street Trailblazer" award from Traders Magazine. Ms. Warren graduated with a Bachelor of Science degree from the University of Minnesota's Carlson School of Management with majors in Finance, International Business, and Risk Management and minors in Latin, Chinese, and East Asian Studies. She also completed the distinguished University of Minnesota Talented Youth Mathematics Program (UMTYMP). Ms. Warren is a member of the National Organization of Investment Professionals (NOIP), CFA Society of New York, 100 Women in Finance, and Women in ETFs. She is also on the Board of the Greater New York Bridge Association. Ms. Warren earned ACBL Life Master status in May 2020.
